# Happy Clients

# Happy Alliance

We are process-oriented and that helps us be agile,  
globally relevant and creative.

# Brains Behind the Brand

We are a 20+ strong team of young & creative writers, designers, editors, artists, videographers, marketers, musicians, developers, and consultants.

**Rushav J.**

Director

Creative captain and voice of the brand. He has a meticulous way of exploring the synergy between the creative and the technical and is personally well-versed in streamlining & executing media solutions of all kinds. Ensuring universal creative acceptance in an agile manner is his primary focus.

**Sujit T.**

Operations Head

All things creative and technical. He has a knack for thinking outside the box for every situation and will give you an agile solution for every bottleneck. His process-oriented approach brings out the best results in every project we work on.

**Vinay D.**

Post Production Head

Multi-talented creative artist. He also runs VSH Studios, our sound production unit & has been a founding member. He provides a unique angle to projects that require a boost of creativity. He has also taught music production along with being a music composer and a voiceover artist.
